MASS MEETING ON SALES TAX ISSUE IS BEING PLANNED

Service Clubs of Upland and Ontario Unite Early Next Month

R. O. PRICE IS LEADER

Chamber of Commerce Handling Details in Joint Meeting on Tax Proposal

Importance of keeping the sales tax as against the proposed single tax will be stressed at a combined meeting of all the Upland and Ontario service clubs early next month if tentative arrangements are completed. On the November ballot will be a measure providing for adoption of a single tax on real estate and to repeal the sales tax.

Avery S. Allen, secretary of the Upland chamber of commerce, has contacted the leaders of all the Upland service clubs. At a meeting of a service club council in Ontario this afternoon the matter was expected to receive favorable action. R. O. Price, president of the county Farm Bureau, is also working on the preliminaries.

The plan is to have a prominent speaker come here for the joint meeting and discuss the need of keeping the sales tax and of preventing adoption of the single tax, which would place the burden of taxation directly on real estate. The meeting is planned for the second week in May.

Upland chamber of commerce recently went on record favoring the holding of a public meeting to provide discussion on the tax situation. As the result of that action steps were started for the joint service club meeting. The session will be open to all interested persons.

The sales tax is recognized by many here as being fair and an equitable means of obtaining revenue for support of the public schools and it is believed that the service club members and the general public will be interested in seeing the tax law maintained as at present.

J. W. Cole Resigns As Head of County Highway Department

J. W. Cole resigned as highway commissioner yesterday and his office was consolidated with that of county surveyor and Howard L. Way will direct both positions. Mr. Cole will enter the contracting business. The resignation was received and the consolidations made by the county supervisors.

It is expected the local headquarters of the county highway department in charge of Willard Carris will not be effected by the change. Ralph Motherspaw, present assistant highway commissioner, will be Mr. Way's assistant in charge of highway maintenance and construction.

Republicans To Meet Tonight to Organize

Upland Republicans will be interested tonight in an organization meeting of the West End unit of the California Republican assembly. The meeting will be held in Armstrong's hall at 7:30 o'clock. A preliminary meeting was held Friday night at which Judge Ben Warmer, Isaac Jones and others spoke. W. W. Stevens was chosen temporary chairman and Vernon Pittenger, temporary secretary, on Friday.

Young Republicans and all G. O. P. supporters are being urged to attend the meeting and to assist in the organization of the group in preparation for the presidential campaign.

City Wants Use of Old Garden Hose

Old garden hose that is ready for the junk heap is wanted by the city. The material is needed in binding the city's young trees to stakes. The trees have just been set out on parkings on the residential streets.

Those in charge of the tree project today asked the cooperation of the public in giving the city the hose rather than throwing it away. A telephone call to the city's office, Upland 33, will result in the hose being placed to good use.

Don Palmer on Chaffey Board Succeeding Dr. Weber

Don Palmer

Dr. A. L. Weber

Don E. Palmer is today a member of the Chaffey board of education.

Coming as a complete surprise to his many friends throughout the Chaffey district was the resignation of Dr. A. L. Weber as a member of the board. Mr. Palmer was immediately appointed by Burton Thrall, superintendent of schools, as successor to Dr. Weber. Mr. Palmer's appointment is until the June 5 election, when he or other candidates may be voted upon.

It was known in a small circle that Dr. Weber was undecided about resigning, about retiring when his term expired or becoming a candidate for reelection. His decision to resign was unannounced and developments were fast when he filed his resignation.

After being on the board for nearly 10 years, Dr. Weber desired to devote more time to his medical practice here and to his other interests.

Mr. Palmer is widely known in the community. Since the appointment he has been enthusiastically congratulated and it is believed that he will be a popular member of the Chaffey administrative board. He is a graduate of Chaffey high school and has the distinction of being the first Chaffey alumnus to serve on the school board.

After being graduated from Stanford university, Mr. Palmer returned to Upland. He is secretary of the Magnolia Federal Savings and Loan association. He is also president of the Upland Rotary club.

Dr. Weber has been outstanding in his service as a member and as president of the Chaffey board. Always interested in education and the Chaffey schools, Dr. Weber has been active in giving the district one of the finest educational institutions in the state.

FRIDAY BIG NIGHT AT WOMAN'S CLUB

Chicken Dinner, Great Program to Draw Many to Annual Benefit Event

The annual event staged by the men of the city as a benefit for the Upland Woman's club on Friday night, May 1, is going to provide not only a chicken dinner that will make the women envious (it's going to be prepared by the men) but also a program that will be composed of entertainment numbers only—no "heavy stuff" or long high brow addresses, just simply an evening to be enjoyed. And after the program there will be dancing for all who desire to "trip the light fantastic."

The program will be under the direction of Dorothy Williams studios. On it will appear acrobatic and tap dancers and a one-act play by the night school drama division of the Footlights Group, this to be directed by Miss Christine Barbuglin. Other numbers will also be given—and every number just for fun.

The Woman's club has a few thousand dollars debt against its property—and no husband of a member should buy less than two tickets. Many are buying more. The Woman's club and its property are an asset to the community and many whose wives are not members realize this fact and are buying tickets to help the club clean up its debt.

What an inducement to be there! Chicken dinner with all the trimmin's, great program and play, dancing and a general good time. The price is $2.50 per ticket—just about what it would cost to spend an evening at a dance—and the opportunity to give deserved and needed financial aid to one of the city's outstanding organizations.

Dinner will be served at 6:30.

Tennis Tournament Is Being Played by Upland 20-30 Club

Responding to the lure of outdoors sports, members of the Upland 20-30 club are conducting an elimination tournament to establish their standing on a tennis "ladder" to be used in future matches.

The first games were played Sunday morning on the Chaffey courts with the following results:

Vernon Shiflett defeated Clyde Danner, 6-2, 6-2; Gilbert Holbrook defeated Laurence Burwell; Harry McKinney defeated Harvey Gallaugher, 6-4, 6-2; Ray Hobbs defeated Virgil Rogers, 6-2, 6-0; William Van Horne defaulted to Alan Delahoyde; Clif Colton defeated Pete Rutledge, 6-2, 6-2; Howard Fay defeated Laurence Bowman, 6-1, 6-1, and Estes Moore defeated Lew Gilbert by default.

In the second round, Shiflett defeated Holbrook, 6-0, 6-0; Delahoyde defaulted to Colton, and Fay defeated Moore, 6-1, 6-1. The McKinney-Hobbs match was not played.

The tourney is to be completed this week and the winner will be presented a prize offered by the Creighton sports goods store.

Republican Meeting At Ontario Woman's Club on Wednesday

All residents of the district are invited to attend a meeting at the club house of the Ontario Woman's club tomorrow (Wednesday) evening at 8 o'clock.

The meeting is sponsored by the West End Republican Women's Study club, of which Dr. Lillian F. Baxter of Upland is president. Dr. Baxter states that two outstanding speakers from Los Angeles—a man and a woman—will be sent out from headquarters in that city to address the meeting.

It is hoped there will be a large attendance, as issues of universal interest will be discussed. Men and women are invited—no matter what party with which they may be affiliated. It is realized that the present campaign is one of great importance to the country and all should hear the issues discussed from all angles and thus be able to form an intelligent opinion before they cast their ballots at the November election.

Constables Organize County Association

About half of the constables in San Bernardino county met at the fire hall in Colton on Friday evening and formed the San Bernardino County Constable association, this being their organization meeting. Friend Lombra, constable at Colton, was elected president, and Cecil Myers, Upland constable, was chosen secretary and treasurer.

A number of matters of interest to these officials of the county were discussed and interesting talks were given. Walter Pitts, deputy sheriff in charge of civil department of the county sheriff's office, gave a talk on duties of constables in serving civil papers.

F. L. Baker, federal investigator, alcohol tax unit, Los Angeles, was also on the program and gave some interesting sidelights on his work, which mostly has to do with stills.

Constables present besides those named above included W. S. Curtio, Colton; D. A. McKee, Etiwanda; M. F. Hoch, Kelson; Chas. H. Hancock, San Bernardino; D. H. Davies, Crest Forest; N. A. Henderson, Barstow; R. M. Van Leuven, Mission; John M. Stocker, Redlands; E. L. Stanfield, Bear Valley; W. S. Farner, Rialto; O. J. Cones, Twenty Nine Palms; G. F. Glasgow, Yucaipa; R. C. Oliver, Bloomington.

Three Cars Figure In Euclid Accident

Euclid avenue and Arrow highway was the scene of a three-car accident Sunday afternoon. Mrs. Richard Semple, North Hollywood, was seriously injured although it is expected she will recover. Richard Semple, husband of the injured woman, was driving the Semple car east on Arrow highway. A heavy truck, driven by Walter Hauser, Ontario, going north on Euclid, crashed into the Semple machine. This impact sent the Semple car in the path of a machine driven by C. H. Hall, Long Beach, who was driving west on Arrow.

A STREET PAVING COST MAY BE CUT

Property Owners in Ontario Ask for Relief From County

Owners of Ontario property abutting on A street between San Antonio and Benson avenues may get relief from paying for paving of A street from the county, it was indicated yesterday.

C. E. Grier, Upland, and Frank Mogle, Chino, supervisors from this district, plan to confer soon with Ontario city council relative to possible ways of relieving the property owners. A petition asking for aid was received by the supervisors yesterday, it being presented by Isaac Jones, Ontario. Property owners asked to be relieved of part of the tax assessments which amount to approximately $3000 for 10 acres in the district.

"A" street from San Antonio to Benson avenues, was paved in recent months at a cost of $56,000, of which the county paid $12,500. The petition declared that property owners were unable to meet the improvement cost due to poor returns from groves in that section. It was also asserted that the improvement was "greater in extent than justified by demand."

WOMEN START WORK FOR FUNDS TODAY

Boys and Girls Work Fund To Be Raised Here by Solicitation

Personal solicitation for Upland's share in the funds to carry on the character building and recreational work for boys and girls in the Chaffey district, began in Upland today, the campaign being made by the women's division of the general committee with Mrs. L. A. Weber in charge.

The teams of women who will make personal contact with many residents in the community include Mrs. W. R. Farmer, Mrs. V. Wade Holden, Mrs. Walter V. Moffitt, Mrs. Don E. Myers, Miss Clara Lou Nisbet, Mrs. Don E. Palmer, Mrs. E. C. Rosenberger, and Mrs. Leigh Thompson. Mrs. Frank K. Nichols is serving as finance chairman.

In response to the large number of letters recently sent out by the Boys and Girls Work committee explaining the nature of and the need for the work and setting forth Upland's quota as $1,200, 45 persons replied subscribing a total of $410.

The remainder of the quota will be raised by personal solicitation and it is hoped the response will be prompt and generous.

Ernest Tweed Stone is general chairman of the committee, which includes, besides Mrs. A. L. Weber and Mrs. Frank K. Nichols, Miss Henrietta Johns, Mrs. Alan Couch, Ray C. Norton, Jas. E. Goodban, R. H. Henderson and Earl E. Hawthorne.

Large Vote Here on Tuesday Is Aim in Primary Elections

With the presidential primary in California one week from today, interest is being shown by local Republican and Democratic leaders in getting a large percentage of the voters to the polls.

Sample ballots have been received by all local registered voters to acquaint the people with the fact that delegates are to be chosen to go to the national political conventions. Republicans will choose between a "Warren Uninstructed Delegation" and a delegation pledged to the support of Gov. Alf Landon of Kansas. Democrats have three choices in selecting delegates. One group is pledged specifically for the nomination of President Roosevelt; another group is headed by John Steven McGroarty, who favors a Townsend old age pension plank, and Upton Sinclair heads another delegation pledged to work for a "production for use" plank in the platform.

While there is no special issue or keen competition between the delegates, local advocates of the various delegates will be active in getting a large number to the polls. Other civic minded persons will also be anxious in getting Uplanders to the polls, it being recognized as an opportunity to participate in selection of the national party leaders and platforms.

Twelve polling places in Upland will be maintained to serve voters.

Orange County Group To Visit Here Soon

Orange county boosters are going to be in Upland at approximately 3:15 o'clock Thursday afternoon and an enthusiastic welcome is planned by the Upland chamber of commerce.

A caravan from Huntington Beach including a 30-piece band will parade in the city and stop for ceremonies at the D street park. Mayor D. J. Cameron will welcome the visitors. A brief band concert may follow. Purpose of the caravan is to create interest in Orange county and its beaches.

50 Identification Cards Are Issued

Fifty people last week were given identification cards and their finger prints were recorded by Upland police as the result of activities during the state finger printing week.

A visit was made to the Upland junior high school with the finger printing equipment, where a group of students had their prints recorded on forms to be filed at Washington, D. C., and on identification cards.

WOMAN'S CLUB TO AID IN SALE HERE

City-wide Event on Saturday Planned by Merchants As Aid to Club

Many Upland merchants are going to give a percentage of their business on Saturday to the Upland Woman's club, of which Mrs. Clyde Whiteley is president.

A special and unique city-wide sale is planned for Saturday in cooperation with members of the club. In each of the participating stores will be a hostess, a member of the club. Each hostess will be paid for her time, the money going to the club fund, and a percentage of the business obtained by the hostess for the store will go to the club fund.

The Saturday sale is expected to be a big aid to members of the club in obtaining money to reduce the principal of the loan on the fine club house. Arrangements for the event are being handled by Mrs. Ray R. Sherwood, vice-president of the club. Complete details concerning the sale will be announced in The News on Friday. At that time announcement will be made of the hostesses at the various stores and other details.

The possibility of holding a "Woman's Club Benefit Sale" was discussed by a few of the local merchants. Leaders in the club were contacted and arrangements were made for the merchants and the club members to unite in offering special sales on Saturday.

Upland merchants may obtain additional information about the event by calling Avery S. Allen.

Chaffey Student Is Injured in Crash

Francis Henderson, a student at Chaffey junior college, is at the San Antonio Community hospital today, as the result of a head-on auto collission on Foothill boulevard near Etiwanda avenue early Sunday morning. Henderson is suffering with concussion of the brain and cuts about the face.

Henderson's car collided with one driven by Dr. Fred L. Horton, Pomona. Dr. Horton and his wife each suffered fractured legs and jaws and other injuries.

Due to the fog both cars were said to have been following the white line in the center of the highway and the machines crashed into each other.

Poultry Producers In Successful Show

One of the most successful poultry shows ever sponsored by the group was held Sunday by the California Breeders of Rare and Fancy Fowl club with 300 entries being recorded. Prizes were won by entries made by Charles G. Wheeler in the Rhode Island Red class, by L. N. Kirk in the single comb Red Leghorn class, and by George Blaney with Peking ducks.

The show was held at the Los Angeles county fair grounds.

Several hundred people from the southland visited the show during the day and 350 people united in a picnic dinner at noon. Mr. Kirk was one of the 10 judges.

Floyd Wilcox Loses Half Poultry Flock

The small poultry flock of Floyd E. Wilcox, 809 West Seventh street, is today only about half as large as normally. Thieves visited the place Sunday night and took 17 hens and a rooster.

Many footprints were found about the place, indicating the thieves had entered through an adjoining citrus grove. Officer E. E. Carter answered the call from Mr. Wilcox when he discovered the loss early yesterday morning.

Driver Fined $50, License Suspended By Local Officials

Henry Meyer, 434 Holmes avenue, Ontario, is today without his driver's license and is under a $50 fine as the result of being arrested by Upland police on a charge of driving while intoxicated.

Meyer's license will be sent to Sacramento for recording in connection with the suspension and he will be without a license until he can prove "ability to respond in case of damages."

Switching Engine Is Derailed Here In Handling Cars

Heavy wheels of a Santa Fe engine rested for several hours this morning deep into railroad ties on the siding tracks just south of the new Upland Lemon Growers association packing house.

The engine left its tracks early this morning as the train crew was switching cars preparatory to sending loaded cars of citrus to market. Trainmen directed the engine on a Pacific Electric siding, which is used ordinarily only by the electric switch engine. A curve in the track was too sharp for the huge steam locomotive with the result that the engine left the rails and dug into the ties.

Special derailing equipment and an engine were brought from San Bernardino for use in placing the switch engine on the tracks. No one was injured but the loss in damage to the tracks and in time was reported to be heavy.

MANY ANGLERS TO BE OUT ON MAY 1

Outlook Good for Big Catches By Record Number of Sportsmen

It's going to be a very successful fishing season beginning May 1.

Many Uplanders are going to be out after limits very early on Friday. They will not have to go far. Within 10 miles of Upland are thousands of nice big trout. Some of the best fishing streams and lakes were described today by local sportsmen for the benefit of those who have not as yet decided where they will be on the opening morning of the season.

San Antonio and Cucamonga canyon sereams and Lytle Creek have been well stocked with sizable trout. Limits can be gotten within an hour, one sportsmen predicted if anglers would go to either one of the three streams mentioned. San Gabriel canyon stream is also going to be good from the fishermen's standpoint. Also west of Upland are Puddingstone dam and San Dimas dam, some distance up on San Dimas creek.

Big Bear lake will be very good for trout fishermen as well as those after crappie. "There are thousands of crappie there," it was declared. Deep creek and Big Bear creek are also well supplied with trout. Green Valley lake, which is near the road to Big Bear, is going to be very good.

Hemet lake was described as being doubtful.

The fishing season will extend from May 1 to Nov. 1. A limit consists of 25 trout or 10 pounds of trout plus one additional trout. Bass and perch fishing will not be permitted until later in the season except in San Diego county.

Reports from local sporting goods stores were to the effect that more fishing licenses than ever have been sold to Uplanders. Hundreds of men and women have obtained permits to fish.

Prediction was made today that more fish would be caught than in any other year and the number of anglers will exceed that of any other year.

ANNUAL CONTEST CHAFFEY ORATORS HELD AT ROTARY

Cash and Medals Presented in Yearly Event Sponsored By Crombie Allen

JOHN STANFORD IS FIRST

Subject of Peace Stressed in Three Excellent Orations By Students

The annual Crombie Allen oratorical contest for Chaffey high school students was held today noon at the meeting of the Upland Rotary club at the Upland Inn. Fund to finance this peace contest was provided by Crombie Allen of Ontario, known throughout the world for his activities in Rotary International. It was the regret of the club that Mr. Allen was not able to be present at the contest.

Kenneth Hanson, former Chaffey student, acted as program chairman and introduced Miss Lois LeBarron Avery, head of Chaffey public speaking department for many years, who drills the contestants. Miss Avery in turn presented the contesting speakers, as follows: John Stanford, who spoke on "Preparedness and Peace"; Miss Alta Matley, whose subject was "America and Neutrality," and Warren Richards, speaking on "Government Control of Munitions Industries."

All subjects stressed world peace and methods by which it can be secured and were brim full of excellent thought and given most effectively. As is the case in each of these contests, it was no easy matter to pick a choice, the vote being up to the Rotarians present at the meeting. However, announcement of the winners placed John Stanford first, Warren Richards second and Miss Matley third. First award was $9 cash and a gold medal; second place won $7 and a silver medal; third place getting $5 and a bronze medal.

These annual events are looked forward to by Upland Rotarians, who are always glad of the opportunity to hear the outstanding talent always evident at the Chaffey institutions.

The club accepted the invitation of Dr. A. A. Aita, business manager of San Antonio Community hospital, to hold its meeting there on Tuesday, May 12. This is the date for the annual open house at the hospital and the Rotarians will be served luncheon at the hospital and afterward will be conducted on a tour of this outstanding institution.

Don Palmer, president of the club, presided at today's meeting.

Meetings Continue At Nazarene Church

For the past 10 days Evangelist Glenn Griffith of Colorado Springs, Colo., has been conducting an evangelistic campaign in the Church of the Nazarene. His forceful, clear and biblical preaching has made a lasting impression upon the people in Upland and surrounding towns. Hundreds have availed themselves of this opportunity to hear Rev. Griffith and many have bowed at an altar of prayer and have accepted Christ as their Saviour.

May 3 will mark the close of this campaign. Rev. Mandtler, pastor of the Nazarene church, urges the people to come and hear this young but old fashioned preacher.

New Lady in Charge Of Inn Dining Room

Mrs. Freeland, who opened up the dining room at the Upland Inn about two years ago and who has enjoyed a splendid business due to the excellent meals and service, has been succeeded by Mrs. Ora Mears of Upland in the conduct of the business.

Mrs. Freeland, who feels the need of a rest, will spend some time with her daughter, Mrs. Gray of Beverly Hills, after which she plans to again engage in a similar business. Mrs. Mears is experienced in the business and has been assisting Mrs. Freeland for some time at the Upland Inn. She plans to conduct the dining room along the same line as her predecessor and assures the same excellent menus and service.

This Is Public Schools Week

There are weeks and weeks—special weeks and just ordinary, every day weeks. In fact, there are so many "weeks" to observe this, that and the other that a good many of them don't mean anything to most of us.

But this is a special week in which all of us are interested—or should be. It's Public Schools week.

And what a tremendous influence the public schools have been on this great country of ours. If it were not for public schools this United States of ours would not be the great country it is. There are many instances of men and women who received their inspiration and ambition when they went to school and it became evident to them their chance to become something worth while was just as good as every other pupil in school. Their ability and industry placed them in the front rank of activities in school and laid for them the foundation for outstanding service in the future.

We believe the future of the country will be shaped largely in the public schools—and if ever the eternal problems are solved it will be due to a great extent to the fact that our schools are making better men and women than we and those of past generations have been. We adults of today—plodding along throughout the year unaware of what is being done toward proper education of our youth—should take time to visit the public schools this week in order that we may see and hear the progress being made.

In California, Public Schools week was born in 1920—when collapse threatened schools—and later the whole country took up the idea with its American Education week observed in the fall. Public interest aroused by the "week" helped greatly to dispel that crisis—and while the state today moves forward with an educational system second to none the future is not without clouds. The better our young people are prepared to solve the future's problems the sooner will they be solved correctly.

It is now pointed out that one of the threats of the public schools of California is a proposal that will be on the November ballot that threatens the sources of school revenues. It is the confiscatory land tax (single tax) which would repeal so many state levies that there would not be left in the general fund enough to grant schools their annual $68,000,000. It would likewise soon dry up the land as a source of revenue—where school districts, through property taxes, get about $70,000,000 a year. This—then—is one of the dangers of which Californians are warned during this annual Public Schools week.

Take advantage of this week to visit your public schools. School officials and instructors alike will join in welcoming you—they are sure if more people know more about their public schools they would be able to appreciate them better and would be less critical. The public school system is one of the greatest strongholds of our republic—it has been so since early in its existence.

—o—

In all probability there will be a deadlock at the Republican national convention in Cleveland in June. It appears that the sentiment of California Republicans favors Gov. Landon of Kansas and it is expected that the Warren uninstructed delegation will cast their votes for him. However, regular California Republicans are not going to endorse and sponsor a Hearst candidate—and his endorsement of Landon has also been most embarrassing to the Kansas governor. That Gov. Landon is an outstanding man there is no doubt—but in case he cannot secure the nomination there are other good men who can fill the job of President in a most efficient and acceptable manner. Borah and Knox are both strong candidates—and in case Landon cannot be nominated the Warren uninstructed Republican delegation is free to switch to one of these candidates or to some other good man whose name might be presented to the convention. Proof that Gov. Landon's name was entered in the California primary in opposition to his will was shown in his statement, when he said: "It seems ungracious for me to decline to enter the California primaries, and yet I am obliged under my theory of this campaign to take this position. If the Republicans desire to make me their candidate I shall, of course, do the best I can. As far as possible, I think they should be free to make their choice without high pressure organization on the part of any one candidate." Hearst's support of Landon is his greatest handicap.

—o—

People wonder what makes moving pictures cost so much money. "Mutiny on the Bounty," which was expected to cost a million dollars, we have been told ran up to over $2,000,000. "Good Earth," a story of China and of a man who loved, lived and died loyal to what the Earth would do for him, is now in production and rice fields are being planted in the San Fernando valley—and over 200 Chinamen will be in the cast. Hundreds of other persons will be working on this picture for several months—and when we see it on the screen it will have all the appearance of having been produced in China. A number of the actors will be Chinese, but the leading roles will be portrayed by Paul Muni and Louise Ranier. The fabulous salaries of movie stars is well known and sends the cost of pictures skyrocketing at a rapid gait.

—o—

Two national broadcasting chains refused to sell time to the Republican national committee to broadcast dramatic sketches designed to show up the fallacies of the New Deal. However, one of them does not seem averse to accepting $75,000 of WPA money from the United States Bureau of Education to permit Wm. D. Boutwell, its director of broadcasting, to spread propaganda skits over its network. Mr. Boutwell is quoted as having said the company—for $75,000—"is giving free time that would cost $200,000 a year. There is not another WPA project in the entire country in which private industry has contributed to such a huge extent." So—while refusing to sell time for Republican skits, the broadcasting concern is giving the Democratic Bureau of Education $200,000 forth of time for only $75,000.

—o—

Judging by some of those large contributions in the last Democratic campaign, it looks as though while Roosevelt was "driving the money changers from the temple" his "side kick," Jim Farley, was just on the outside of the door raking in the "filthy lucre" in large amounts to spend in getting him elected.

—o—

Reports from Washington say that President Roosevelt remains cheerful and doesn't seem to worry. The same happy condition doesn't exist with the taxpayers whose money the administration is wasting so lavishly.

Notes of Society

Ninetieth Birthday Is Celebrated by Mrs. Alice Reed

The celebration of her ninetieth birthday was a happy occasion for Mrs. Alice Reed and many of her friends. Her anniversary came on Friday, April 24, and on that day her two daughters, Mrs. Laura Holsclaw and Miss Charlotte Reed, entertained in her honor, holding a reception at their home, 303 West H street, Ontario.

The home was transformed into a flower garden, approximately 50 beautiful bouquets of choice blossoms being brought in by friends. One large bouquet that drew special comment from the guests included 90 lovely rosebuds cut from Mrs. F. C. Perry's garden.

During the afternoon tea was served, those presiding at the handsomely appointed table being Mrs. J. F. Haddow, Mrs. Sarah Nelson, Mrs. C. D. Daniels, Mrs. Lita Gillilan, Mrs. A. B. Groff, and Mrs. Minnie D. Goodrich.

For the pleasure of Mrs. Reed and the guests, Mrs. Ralph H. Marr sang Mrs. Reed's favorite song, "The End of the Way," the words and music both having been written by Mrs. Princess Long.

In addition to the lovely flowors, Mrs. Reed received many other gifts and birthday greetings from relatives and friends throughout the country.

Among the guests greeting Mrs. Reed were Commander Alois Podrasnik and Comrade E. M. Rankin, both of Ontario post, Grand Army of the Republic. Mrs. Reed is a member of Mary Brainard tent, Daughters of Union Veterans; the Woman's Relief corps and the Ladies Aid society of the Methodist church in Ontario, and members of those organizations and many other neighbors and friends were present.

Mrs. Reed was born in Barre, Mass., and spent her girlhood in Illinois, living there during the Civil war and teaching school while yet in her "teens."

Later her family moved to Iowa and in 1868 she was married to William Smiley Reed. In January, 1911, Mrs. Reed came to California and since then has made her home in Ontario. Her family now includes her two daughters, Mrs. Laura Holsclaw and Miss Charlotte Reed, both of Ontario; a son, George Reed, of Payson, Ariz., and two grandchildren, Miss Alice Holsclaw and Gerald Holsclaw.

Miss Vivian McCarty Becomes Bride of R. T. Santolucito

The home of Mr. and Mrs. M. I. McCarty, 154 South Archibald avenue, Cucamonga, provided the charming setting for the marriage of their daughter, Miss Vivian McCarty, and Ralph T. Santolucito, the beautifully arranged morning wedding occurring at 10 o'clock Sunday.

Exquisite pink and white roses and sweet peas in the same colors were employed in the house decorations, with a special arrangement of baskets of the blossoms before the fireplace marking the ceremony altar.

The bridal party entered to the strains of the "Bridal Chorus" from "Lohengrin" and the impressive ring ceremony was read by Judge James Sharp, an intimate friend of the family.

The bride wore a smartly fashioned dark blue silk crepe with mustard colored chiffon trimming, the combination of colors emphasizing her blonde loveliness. She carried a bouquet of gardinias and lilies-of-the-valley.

The bride's only attendant was her sister-in-law, Mrs. Frederick McCarty of Fullerton as matron of honor, also attired in dark blue crepe and carrying gardenias.

The bridegroom was attended by his brother, Ben Santolucito, as best man.

Mrs. McCarty, mother of the bride, wore a black chiffon gown with white accessories and a corsage of gardenias, while the bridegroom's mother wore a dark blue crepe and her corsage also was gardenias.

In the presence of approximately 100 relatives and friends assembled in the sanctuary of the Upland Methodist church, Miss Marie Jones, daughter of Mr. and Mrs. Lester P. Jones, 508 First avenue, and Bill C. Schneider, son of Mr. and Mrs. Alfred Schneider of 802 West Arrow highway, were united in marriage Saturday morning, the sports wedding occurring at 10 o'clock, the day, April 25, being selected for the wedding because it marked the bride's twenty-first birthday.

Flanking the altar before which the nuptial vows were exchanged, were two large baskets of mixed flowers and a basket of exquisite roses in varying shades stood in the chancel.

Miss Elizabeth Wright, wearing a costume in soft green with a corsage of pansies served as organist, playing as the pre-nuptial number, "Because," and for the processional, Mendelssohn's "Wedding March."

The members of the bridal party were attired in smart sports costumes that provided a symphony of blending color. The bride, escorted by her father who gave her in marriage, was lovely in a chic sports suit of white gaberdine and white accessories, including a small white turban. She wore a corsage of gardenias and lilies-of-the-valley and her only jewel was a gold bracelet, the gift of the bridegroom.

As maid of honor, Miss Ruth Hilty wore a suit of pink silk crepe with white accessories and a corsage of pink rosebuds.

The two bridesmaids were Miss Nellie Jones, sister of the bride, wearing a blue sports suit, and Mrs. Ellis Zander (Louise Norton) of Pomona, attired in a pink suit and both wearing white hats and corsages of sweet peas.

Attending the bridegroom as best man was his brother, Mack Schneider, who came down from the University of California at Berkeley for the wedding. The ushers were L. E. Wells of Covina and Wayne Terry of Ontario.

The impressive marriage service was read by the Rev. Paul F. Huebner, pastor of the church.

Immediately following the ceremony a reception was held in the church parlors, Mrs. Jones, mother of the bride, receiving the guests in a handsome ensemble costume of azure blue floral sheer and the new Monaco blue crepe. Her corsage was yellow rosebuds. Mrs. Schneider, mother of the bridegroom, wore a becoming black and white floral crepe and her corsage also was yellow roses.

A handsome three tier wedding cake, topped with a miniature bride and groom beneath an arch, was cut by the bride and this cake and the bride's cake with fruit punch were served by the Misses Martelle Atwood and Dorothy Hendy and Mrs. Kenneth McCabe.

Mr. and Mrs. Schneider left at once on a motor trip to the northern part of the state, planning to be away for several days. They will be at home after May 5 at 141 East Arrow highway.

The bride is a graduate of both Chaffey high school and junior college and is popular with a large circle of West End friends. She is a member of the Junior Business Girls club and for some time has been employed in the Huxtable drug store.

San Antonio Chapter Is Told Story of Father Serra

An especially interesting meeting was held Monday afternoon by San Antonio chapter, Daughters of the American Revolution, when the members gathered at the home of Mrs. Jacob Jesson, 320 West Emporia, Ontario, for the April session.

The meeting was conducted by Mrs. Leonard B. Fowler, regent, and following the flag salute led by Mrs. G. B. Harding, chaplain, Mrs. Everett W. Henry paid a beautiful tribute to the late Mrs. Chas. V. Barr, past regent of the chapter.

Several guests were present and were given a cordial welcome by Mrs. Fowler.

Since the speaker of the afternoon, Mrs. Clark Hazen Parsons, had elected to speak on the life and accomplishments of Father Serra, California "padre of the trails," a fitting musical program was arranged and Mrs. Paul Walters presented a group of her Mexican Girl Scouts from Cucamonga, who sang three songs in Spanish and gave two Mexican dances.

The fascinating story of Father Serra's conquest of the hearts of the Indians was revealed by Mrs. Parsons as she told of his hardships, his sacrifices and his successes.

Refusing to become a priest in order that he might be a missionary among the untamed people in an unknown land, Father Serra, Mrs. Parsons related, established 16 missions in California, a number of them still in use. "His humility, dauntless spirit and mighty love and charity made him beloved by all men," Mrs. Parsons stated. "He threw himself into the stream of humanity and made possible the impossshible."

The program wsa concluded with three Mexican compositions played on the xylophone by Miss Exie Jean Stevens.

Following the program a social hour was enjoyed and refreshments were served by the hostesss, Mrs. Jesson, Mrs. Robert T. Schaefer, Mrs. J. F. Hamilton, Mrs. W. O. Rogers and Mrs. Thos. W. Nisbet.

Guests present were Mrs. Alfred L. Davenport, Mrs. Herbeet S. Bailey, Ms. E. J. Sandford, Mrs. H. H. Dilworth, Mrs. Stearns Ingalls, Mrs. Bertram Smith and Mrs. John Macrea.

FOUR TIGERS WIN POINTS IN MEET

Chaffey Places Fourth in Big Meet—Whittier First as New Record Made

Four Chaffey track athletes won points in the eleventh annual invitational track meet here Saturday to give the Tigers 12 points and a tie for fourth place. Whittier took the meet with 21½ points. San Bernardino was second with 19 points, and Riverside made 16 points to score third.

Chaffey point winners were Thomas, who was second, and Stanford, who was fourth in the 880; Casaletti, second in the high hurdles, and Harris, who scored first in the 440 dash.

The final scores placed schools near the top that usually are far down the list. Fullerton, rated a strong contender, scored only seven points. Santa Ana scored five points.

In the novice meet, three Uplanders scored all of Chaffey's 12¾ points to place third. Landon Bailey was first in the 220 and second in the 100 yard dash. Kobi Shoji tied for third in the high jump, and Gene Fetrow was second in the 120 low hurdles.

One new open meet record was made, that in the 880, when DeLapp of Montebello ran it in 2.01.7. In the novice meet four new marks were set as follows: Bughee, Montebello, 100 yard dash in 10.3; Denier, Colton, 70 yard low hurdles in 9.8; Nordheim, Fullerton, 8-lb. shot put at 53 feet 5½ inches, and Peterson, Pomona, 120-yard hurdles, in 14.

Bethany Union Aid Benefit Cafeteria Supper Is Success

Sponsored by the Bethany Union Ladies Aid society as a benefit for church work, the cafeteria supper and entertainment program held Friday evening at the home of Mr. and Mrs. H. B. Hamilton, Euclid avenue and Twenty-fourth street, was a most gratifying success, approximately $30 being realized for the fund.

About 75 persons were in attendance and following the supper a number of the young people gave an amusing amateur hour program, a variety of numbers being presented. Children sold tickets for one penny each, these permitting the holders to vote for their favorite performers.

The prize for the best number was awarded to four young acrobats who put on a clever tumbling act, the team including Paul Warren and Jack Hamilton and Lloyd Kear.

Later in the evening Miss Esther Hewlett, pianist, accompanied the group in singing a number of hymns and Mrs. J. I. Countryman, as auctioneer, conducted a Dutch auction of needlework, candy and a cake.

Mrs. William Tyler is president of the society and the committee in charge of arrangements included Mrs. H. B. Hamilton, Mrs. C. E. Gamsby and Mrs. J. I. Countryman, with other members of the Ladies Aid society assisting.

Delegates Depart For Annual State P.-T. A. Convention

Local delegates to the annual state convention of the California Congress of Parents and Teachers, opening in San Jose today, left Upland Monday afternoon on a special Pacific Electric train carrying delegates from various points in the county.

This afternoon a health program was scheduled to be presented by Dr. Ellen S. Stadmuller, state chairman of physical hygiene, and as a part of the program Mrs. Minnie Emmons of Ontario, new president of the Fifth district, was listed for a discussion of the preschool child and the summer round-up.

During the remaining three days of the convention a number of other noted speakers will be presented, among them being Miss Marian Telford, safety chairman for the National Congress of Parents and Teachers; Dr. Edwin Lee, superintendent of schools in San Francisco; Geoffrey Morgan and a number of professors from Stanford university, the University of Southern California, and other schools.

Attending the convention from Upland are Mrs. Geo. W. Cassell, president of the Fannie D. Noe P.-T. A.; Mrs. Harold J. Stickney, president of the Upland Junior High P.-T. A., and Mrs. Alfred R. Kipp, president of Chaffey High School P.-T. A.
